JOSH

I just think we have this great connection, and for me not to know this really major thing about you makes me feel kind of stupid.

CHLOE

Well, I'm just finding out things about you, too. Like snow globes really scare you.

JOSH

The snow goes up, it goes down, there's no rhyme or reason to those things. It's chaos.

CHLOE

Hey, I've got an idea. We could make a list, like the top five secrets the other person doesn't know, and then tell each other.

JOSH

You'd do that?

CHLOE

Would it make you feel better?

JOSH

Much better.

CHLOE

So, no lunch today, huh?
SCENE P

INT. FENCEL'S RESTAURANT/BAR - LATER (DAY 2)
(Josh, Chloe, Extras)

JOSH AND CHLOE SIT AT A TABLE WRITING OUT THEIR LISTS. A PLATE OF APPETIZERS SITS IN FRONT OF THEM.

CHLOE

Are you done?

JOSH

I haven't spell checked yet.

CHLOE

Josh, you're so anal.

JOSH

Feel admired.

CHLOE

Well, there goes number one.

Okay, I guess I'll go first, so...

here we go. (DEEP BREATHE) I don't swim.

JOSH

See, now that's a thing I should know. Okay, this is good, this is good. My turn. Occasionally, I still wear feetie pajamas.
CHLOE

Is the part that's supposed to
bother me the fact that you wear
them, or that you call them "feetie
pajamas"?

JOSH

Pick one.

CHLOE

Okay. Uh... I dropped out of high
school two months before graduation.

JOSH

Really?

CHLOE

Hey, the Dead weren't going to
Europe without me.

JOSH

My e-mail name is "Dance King."

CHLOE

I was in Desert Storm. I killed a
man.

JOSH

Oh, my God! Seriously?

CHLOE

Yeah. He was one of our own, but
it was crazy over there.
JOSH
Okay, I think we're done with the sharing.

CHLOE
Really? But we haven't done all five.

JOSH
You know, we've got a lot of time to find out all the really... disturbing things about each other. But hey, we are off to a good start.

CHLOE
So, we'll just let it happen.

JOSH
Yeah. You know, I can teach you to swim.

CHLOE
Oh, I can swim. I just don't go in the water because water's possessed by Lucifer. (BEAT) Kidding.
