This reverend's not gonna show.
That's it. I'm taking away Kenny's

ANDY

He doesn't have health insurance.

JIM

Well, I'm giving him some and then
taking it away.

REVEREND STEVENS

Would either one of you be Jim or
Andy?

ANDY

You must be Kenny's uncle. Thank God
you're here.

REVEREND STEVENS

Yes, I'm Reverend Stevens. Kenny
speaks very highly of you. One day,
he told me --

JIM

Yeah yeah love him like a son. Look
we're under the gun so if you'll hop
on up to the altar we'll catch up
later.

JIM SHOVES HIM DOWN THE AISLE TOWARDS THE ALTAR. CHERYL,
DANA, MAGGIE, AND THE KIDS, ALL DRESSED FOR THE WEDDING,
ENTER.

JIM (CONT'D)

Wow, Dana. You look absolutely
gorgeous.

CHERYL

Doesn't she make a beautiful bride?

ANDY

She sure does. Ryan's a very lucky
man.

DANA

Thank you guys, I love you.

ANDY BECOMES EMOTIONAL.

ANDY

I love you... too. (THEN) Damn it,
here come the tears. Now I'll have to
redo my makeup.

JIM

You wear makeup too?

ANDY

There's going to be a lot of pictures.
I like to look even.

ANDY

(SOTTO) Listen, Reverend, thanks a lot
for squeezing us in on such short
notice. You saved our butts.

REVEREND STEVENS

Well, you're lucky. A few months ago
you couldn't have gotten me. I have
more time since I broke with the
Church.

ANDY

But they took you back, right?

REVEREND STEVENS

Hell, no. I told them to kiss my ass.
Then I started my own religion.

ANDY

Own religion, you say?

REVEREND STEVENS

It was a glorious day. I was meditating naked in the woods when an angel appeared before me disguised as a bear.

ANDY

Uh-huh. I guess your regular ol' winged angel would be too obvious.

REVEREND STEVENS

The bear spoke to me. Through a series of snorts and growls, our souls connected. He then batted me around like a toy. When I came to, he revealed to me the "true path."

ANDY LOOKS AT HIM FOR A BEAT.

ANDY

Yeah. Is the State of Illinois is cool with this?

REVEREND STEVENS

No, they laughed at me. The bear said they would.

ANDY

So no license?

REVEREND STEVENS

Hey, you don't need a license to drive. Why would you need a license for this?
